MEMBERS ARE ASKED TO SET UP A STANDING ORDER FOR ANNUAL MEMBERSHIP FEES

It is important to set this up in advance of renewal date.

Renewal date is always 1 May.

Setting up a standing order cannot be done by the society on your behalf. It is however easy to set up a standing order. Depending on your bank, it can be done online, on your phone app or you can ask your branch to do this for you.

The date this must be paid to the society is **1 May** and then annually.

You will only need to set this up once.
