

Dear Sheep Exhibitors/Breed Societies,

We are excited to announce that the Royal Welsh Show Livestock schedules are available to view online via our website

ENTRIES WILL OPEN WEDNESDAY 23rd APRIL 2025 at 10:00am.

We would like to make you aware of a key change within the sheep section at the 2025 event.

Due to the increased popularity within the sheep section and the limited capacity within the sheds, the committee have made the decision to limit the allocated pens per breed. This has been done the fairest way possible based on a 3-year average of pens booked, with a small reduction on the most popular breeds to allow fairness to all exhibitors.

Once the capacity of pens has been reached, based on a first come first served basis, you will be able to add yourself to a waiting list which is breed specific. Should any section have any surplus pens at the close of entries, these will be offered and allocated, subject to when the applications were received (date and time).

Once again, you will be required to book your pens this year, but we request that you avoid over booking to allow all exhibitors in your breed a fair chance of entering (up to a maximum of 3 pens per breed, per account).

Please note that there is no guarantee, even if you have booked 3 pens, that this number of 3 pens will be allocated to you.

Entries and pen bookings will be thoroughly checked by the Assistant Honorary Director of the Sheep Section.

If you have not been allocated your requested number of pens you will be informed via email.

A standard penning fee of £25.00 will be charged per breed. This will replace the previous £10.00 per pen per breed charge.

We are a small team of three in the Livestock Office, and our phone lines can become overwhelmed quickly. The most efficient way to reach us is via email at

livestock@rwas.co.uk and we will endeavour to get back to you as soon as possible.

We appreciate your patience and understanding, and we ask that all communication remains respectful. Any form of aggressive behaviour will not be tolerated.

For more information or any queries with regards to the Livestock Section please contact us on: livestock@rwas.co.uk

Kind regards
Livestock Team
The Royal Welsh Agricultural Society
